

Your New Online Paystub

GM Payroll Services has successfully implemented ADP iPayStatements at <https://ipay.adp.com> as the new host for employee paystub information for GM employees paid by Payroll Services in the United States (including ISP paid from the US Payroll Systems). ADP iPayStatements gives you access to your paystub 24 hours a day, 7 days a week, without the need to log into mySocrates. The paystub link on myServices page has been updated to navigate to the new tool. Please note there will be no change to the way your payroll is processed.

ACTION REQUIRED:

The first time you access the site you will need to complete a registration process. If you are an hourly employee, step by step Self Service Registration Instructions were mailed to your address on record, including the Registration Pass Code **GM1-Pay** required for registration. If you are a salary employee, the information was emailed to your work email address.

TIPS FOR A SUCCESSFUL REGISTRATION:

- Open a new internet explorer browser window when registering.
- GM1-Pay is the only registration code for GM.
- If you get a message that says the registration code is not good, close the window completely, open a new window and try the pass code again.

If you have questions or need assistance with registering please call one of these numbers for assistance:
